Case Digest

Subject: Administrative law **Other related subjects:** Employment

Keywords: Civil Service; Conditions of employment; Judicial review; State security

Summary: Minister's decision; civil service; trade union membership; judicial review

Abstract: The court will not intervene to review the decision of a minister where the requirements of national security outweigh other matters. Since 1947 staff employed at GCHQ had been permitted to be members of trade unions. In December 1983 the Minister, with no prior consultation, peremptorily altered the conditions of service, forbidding membership of a union. The applicants sought judicial review on the ground of unfairness due to failure to consult. Glidewell, J. granted the application and declared the instruction to be invalid. The Court of Appeal allowed the Minister's appeal.

Held, dismissing the appeal that (1) executive action based on common law or the use of a prerogative power was not therefore immune from review; but (2) the requirements of national security outweighed those of fairness, which was a matter for the executive to weigh and decide. ([R. v Criminal Injuries Compensation Board Ex p. Lain](#) [1967] 2 Q.B. 864 , [O'Reilly v Mackman](#) [1983] 2 A.C. 237 and [Chandler \(Terence Norman\) v DPP](#) [1964] A.C. 763 applied).

Judge: Lord Fraser of Tullybelton; Lord Scarman; Lord Diplock; Lord Roskill; Lord Brightman

Counsel: For the appellants: Louis Q Blom-Cooper C, Patrick Elias, Richard Drabble. For the respondent: Robert Alexander QC, John Mummery.
